

HARROW SKILLS CENTRE

Harrow Skills Centre is part of Harrow College and provides pupils with the opportunity to make initial steps in developing vocational skills and knowledge that will lead to successful employment in the locality, meet the needs of employers and result in a positive contribution to the community.

At the Skills Centre you will be taught construction, joinery, painting & decorating, electrical installation, plumbing and bricklaying skills. You'll also learn about the construction industry, working safely, personal effectiveness, social responsibility and financial management.

Type of Provision:

Year One: Part time (1 day a week) provision leading to a Level 1 Btec Diploma qualification in construction.

Year Two: Full time provision leading to a Level 2 Btec Diploma qualification.

Referrals are accepted from Local Authorities and schools.
